

Configuring the input system and labels.

Description

The first thing I have done is to log in to my Gmail account, then what I have done is to create tags and have the necessities for my work. To finish, I have created labels for all the tasks that I have found on so it will be easier to organize and it will be easier to order.

COMPANY NAME
Address | Phone | Link | Email

After that, what I did was fill out this questionnaires,
and I got this scores.
